Email Address:

Backcountry Experience

- 3 season hiking. Please explain in detail below how familiar you are with trails in what area, how often you are able to hike, and any other relevant experience:

- Please share any other relevant professional or recreational backcountry experience:

Medical Training:

- Please share any medical training or certifications you have:

Prior Rescue Experience:

- If you have any prior rescue experience, such as being on another SAR team, fire or rescue department, military service or helping fellow hikers, please share below:

Other SAR teams:

- Applicants who are on other SAR teams can have their process fast tracked provided they receive a positive recommendation from a board member or team leader that they have personally worked with on a mission. If you are on another SAR team, please list the team, a reference and their position, email and phone number below

How often can you respond to rescues?

- Most times
- I am only available a limited amount of time:
 - Weekends
 - Weekdays (check days usually available: M Tu W Th F)
 - Evenings
- I live within 1 hour of the Lakes Region and able to respond in a timely manner when available. Please list address below (or seasonal address) you will be responding from.

- I currently don't have any time available, but please keep me on the mailing list.

References:

Please provide at least two references below. Include their relation to you (I.e. boss at..., manager at... Hiking companion etc), a phone number and email address. If you know a current member of LRSAR, please list them as your first reference.
